

Biological Laundry Capsules

Super Biological Laundry Capsules are a convenient, no mess system for cleaning clothing and fabrics. Suitable for all automatic washing machines. Contains enzymes to help break up dirt, giving a brighter, whiter wash.

-  Easy dosing
-  Biological cleaning power

QUALITY ASSURANCE:

This product is manufactured in the UK by MIRIUS, A Coventry Group Company. Produced under ISO 9001 Quality Management System & ISO 14001 Environmental Management System. This ensures our products and services are of the highest possible standard. This product has not been tested on animals.

BIODEGRADABILITY:

All surfactants used in Super Professional products comply with the current European regulations concerning biodegradability & protection of the environment.

Super Biological Laundry Capsules are a convenient, no mess system for cleaning clothing and fabrics. Suitable for all automatic washing machines. Contains enzymes to help break up dirt, giving a brighter, whiter wash.

Directions for use:
 Dosage: One capsule is sufficient for one wash load.
 In case of heavily soiled loads, hard water and/or big+ drum we recommend the use of two capsules.
 Select the appropriate amount of capsules. Place directly into the drum then place laundry on top. Do not remove the film (100% water soluble). Select the washing program (do not use for pre-wash).
 Do not use for hand wash, wool or silk.
Storage: Store sealed in original container in a cool, dry place away from sunlight.
