Hazardous Pictograms

1
Pour the recommended amount of powder either directly into the dispenser drawer or into a dosing device.

2
Do not pre-wash when using a dosing device or put a dosing device into tumble cycles of washer driers

3
Handwashing
Use up to 1/2 cup in a bowl or bucket (approx. 10 litres). Ensure powder is fully dissolved. Rinse thoroughly

4
Do not use an enamel bath for soaking. Never soak silk, wool, leather or garments with metal fastenings or flame resistant finishes. Always test coloured articles for colour fastness.
